V. Making Purchases

Adding products to your shopping cart on EnginePartsExpress is a straightforward process designed to make your shopping experience seamless and efficient. Here's a detailed guide on how to add products to your cart:

- **Product Selection:** Start by browsing through our extensive collection of high-quality engine parts and accessories. Once you find a product you're interested in purchasing, click on the product image or title to view its detailed information.
- **Quantity Selection:** On the product page, you'll see an option to specify the quantity of the item you wish to purchase. Enter the desired quantity in the designated field. You can adjust this quantity later in your shopping cart if needed.
- **Add to Cart Button:** After selecting the quantity, click on the "Add to Cart" button. This action adds the item to your shopping cart without redirecting you to the cart page immediately, allowing you to continue browsing and adding more items if desired.
- **Cart Preview:** As soon as you click "Add to Cart," a confirmation message or notification will appear, indicating that the item has been successfully added to your cart. You can also see a preview of your cart, usually displayed as a mini cart or with a brief summary of the items added, along with the total cost.
- **Continue Shopping or View Cart** At this point, you have the option to continue shopping and add more items to your cart by repeating the above steps. If you're ready to proceed to check out, you can click on the cart icon or the "View Cart" button to review and finalize your order.

By following these steps, you can easily add products to your shopping cart on EnginePartsExpress, ensuring a smooth and convenient shopping journey. Happy shopping!
